

Potsizes & Plugs

| POTSIZE | PLUGS PER POT | GROWING WEEKS |
|---------------|---------------|---------------------------------------|
| P9 / 1L | 1 | 6-8 weeks to grow a green plant |
| P12-13 / 1,5L | 1 | 8-10 weeks to grow a flowering plant |
| P15-17/ 2L | 1 | 8-12 weeks to grow a flowering plant |
| P19 / 3L | 1 or 2/3 | 12-14 weeks to grow a flowering plant |
| P21 / 5L | 2/3 | 14-16 weeks to grow a flowering plant |

These timings are an indication based on potting between week 10 (spring) and 34 (summer).
